

Dr Pa-Chun Wang – ACHS International Medallist 2023

ACHS International proudly recognises Dr. Pa-Chun Wang for his exceptional work in the field and his outstanding contributions to quality and patient safety. Dr. Wang is the Chief Executive Officer at the Joint Commission of Taiwan and a full professor at the Fu Jen Catholic University School of Medicine in New Taipei City, Taiwan.

Dr. Wang's impressive academic background includes a Doctor of Medicine (MD) degree from China Medical University, Taichung, Taiwan. He furthered his expertise with a Master of Science degree in health policy and management from the Harvard T Chan School of Public Health, as well as an Executive Master's in Business Administration from National Taiwan University. Additionally, Dr. Wang completed an otolaryngology fellowship at the Massachusetts Eye and Ear Infirmary of Harvard Medical School.

Notably, Dr. Wang holds prestigious positions in various organisations dedicated to improving healthcare quality. He serves as the President of the Asian Society for Quality in Health Care and is a member of the Board of Directors of the International Society for Quality in Health Care and ISQua External Evaluation Association. His leadership extends to the Taiwan Otolaryngology Society, the Taiwan College of Hospital Executives, and the Taiwan Healthcare Quality Association, among others.

Dr. Wang's extensive research contributions are commendable, with 400 peer-reviewed articles published in renowned scientific journals. His expertise encompasses otolaryngology outcomes research, healthcare quality, and patient safety. In recognition of his accomplishments, Dr. Wang was nominated as a fellow of the ISQua International Academy of Quality & Safety (IAQS) in 2021.

We extend our sincere appreciation to Dr. Pa-Chun Wang for his tireless dedication, expertise, and leadership, all of which have significantly advanced the realms of quality and patient safety in healthcare.

Congratulations Dr Wang on your many achievements and being the deserving winner of the prestigious ACHSI Medal 2023 – APAC.
